# FROM THE PASTOR

“What is God doing in this passage?” and “What is the message for the church?” Those were the two questions that Dr. Georjean Banton, the mentor for my internship at New World United

Methodist Church in Garland, Texas, asked at the end of Bible study on Tuesday morning. Georjean came up with the Bible study as a way of getting the congregation’s input on the scripture for the upcoming Sunday.

It was a fun class. We met at the church, and we had a good turnout and a lot of meaningful discussions. I preached once a month during my internship, and got to teach the class the week before I spoke and on a few other occasions, too. The class has served as a template for Bible studies and conversations I’ve led since, including the one that we began offering last month at the Daily Dose. We’re three weeks into that study, and we’ve had four or five people on hand each week, and there’s room for more. We meet at 10:30am, and I make a point of letting everyone know in advance what our text will be for the following week.

We had morning and evening sessions of these conversations in King George. The morning session met Tuesdays at a place called Uncle Dave’s, and evening studies on Wednesdays rotated among sites like Roma Pizza, Pancho Villa, and Vinny’s. The evening sessions continued via phone or Google Meets when COVID struck, and having a phone line was a good backup since broadband internet was scarce in the county.

Please let me know if anyone’s interested in having an evening study session. It’s good for us to get together in public, and customers at the Daily Dose have taken notice of us, so an additional meeting at a different place and time might help us reach more people with the word of God and love of Christ. Again, please let me know if an evening study interests you.

Thanks,  
Ned

P.S. If you read this before Wednesday, March 30, please consider joining me that day at a lunchtime Lenten program at Boykins UMC. I learned of this series through pastors from Boykins, Newsoms, and Capron, and was asked to participate. I went March 16, and the program included two hymns, a devotion, and lunch. I’ll head out there by 11:30 a.m., in case anyone wants to join me or follow. It’s quite a drive, and especially if the bridge is still out on 671.

### With Grateful Hearts

When we left home on November 3 to be warm bodies for two teenage grandsons while our daughter and her husband took our granddaughter to a horse show in Nashville, we expected to be gone five days. Two days in, Billy fell and damaged an existing hip replacement and also crushed the femur in his left leg. We marked off the days on our calendar and watched Thanksgiving, Christmas, New Year's, and Valentine's Day disappear. Huntersville, NC – along with two different hospital stays, two months in a rehab facility, and finally three weeks back at Joanna's – became our temporary residence.

While Joanna and Todd have been our rocks as was Maryanna who came home from Pretoria, South Africa to help and to offer some much needed comic relief, the kindness of family and friends near and far has been heartwarming. We are truly blessed and have witnessed that God is good all the time. As we begin the arduous task of healing, we want you, our church family, to know how much we appreciated the calls, cards, messages, and meals you provided once we returned home. This is not the first time that our church has come to our aid. We are forever grateful. God bless you all!

Fondly,  
Toni and Billy Phillips

## United Methodist Women Undergo Name Change

After five years of research, United Methodist Women launched a new name – **United Women in Faith** – and a new identity March 3 that seeks to engage newer, younger members and adapt to the changeable circumstances of today’s world while maintaining connections despite the threat of impending schism in The United Methodist Church. In a Facebook video and subsequent “Faith Talks” online program, leaders and staff announced the name change, a new website, new programs and encouraged current members to embrace the changes as a natural evolution of the 150-year-plus mission organization. The announcement came on the third day of Women’s History Month, which the spokeswomen said was an intentional link to the organization’s legacy.

## Prayer Vigil

### Easter Prayer Vigil – The New Normal?

The New Testament contains many letters to the early churches about their challenges and rewards. We too are facing challenges and may lose sight of our reward. Like those early churches, we are in a time of great upheaval. The ongoing COVID pandemic along with racial, political and financial unrest have turned our world upside down, not to mention threats of war and violence. Our church services have changed – from virtual on-line worship services to supper with our Lord in those tiny, uncooperative communion cups! How can

High Street church continue in mission to God’s world in all this turmoil?

One way we serve God is through prayer. On the Saturday before Easter, representing the time that Jesus’ human body lay in the tomb, we strive for continual prayer. We pray for our world, our community, our church, and our family. We pray to thank God for sending His Son to save us. We pray to become the people God wants us to be. We pray in thanksgiving and in hope.

We have struggled with how to continue the ministry of the Easter Prayer Vigil with these changing times. In the past, we have asked for church members to come to the church building to pray for an hour. Setting aside a quiet hour to pray is a beautiful thing. But you don’t have to be in a beautiful building to talk to God. He is everywhere we are, whether it is at church, at home, in the park, or even driving down the road.

So we are asking you to pledge an hour to pray. If you want to come to the church building, there will be devotional materials and communion available in the Birdsong parlor. We will start at 8:00am and plan to pray throughout the day. Susan will ring the church bells at midnight to announce the arrival of Easter, and anyone is welcome to join in the celebration. Let either Susan or Cara know when you plan to come so we can let you into the building. If you would rather pray at home or wherever you may be, that works too. There will be a signup board in the Narthex for you to pledge your time, or if you are worshipping with us virtually, call or email us to sign up.

God bless all of you at High Street to continue to be a blessing to our community and to God’s world. In love and peace,

We are collecting **Spaghetti Sauce (no glass jars please)** and **Canned Fruit** during April for the **Franklin Cooperative Ministries**.

Please bring your items to church and place them in the baskets or boxes near the water fountain in the narthex or in the hallway outside the church office. Thanks so much for helping people in need in our community!

## Mission Team Report

Our High Street UMC family continues to be very mission-oriented. During the month of March we focused on our "penny project". This is our collection of pennies and other coins that will continue until the end of the summer and will go to the Heifer Project International. We will be able to choose which animals we want to be given to families to help better their lives. Heifer International chooses families all around the world and teaches them how to use certain animals to give them more food and an income to be able to live a more fulfilled life. These families in turn share the gift by passing on an offspring of their animal to another family nearby. On March 20—14 children gathered together in the fellowship and courtyard of our church and enjoyed lunch, games, a craft, making a bank for their pennies, and 4 very special visitors... 2 baby goats and 2 rabbits!! It was loads of fun, and the children will be collecting their pennies and bringing them back to church to help. You can bring coins by the church office or place them in the brass container on the round table in the narthex on Sunday mornings.

The "bathroom project" at the mission house on Walnut Street has been completed! What a great job the team did with complete redoing the only bathroom in that house! Thanks to all who led and helped with this project! We'll give them a little break and will let you know what's next!

The Mission Team voted to give a \$200 donation to Heart Havens, the non-profit organization that provides homes for adults with developmental disabilities in 6 different locations throughout the state of Virginia. We also delivered the items collected during the month of February to their office in Richmond. (3-ply masks, hand sanitizer, and antibacterial wipes and spray) Thanks for your generous donations.

The Mission Team also voted to send a \$150 donation to Freekind Virginia to be used for their upcoming 5K on April 30. This 5K is a fundraiser to help prevent human trafficking in our Tidewater area, including Franklin and Southampton County.

Our April Mission of the Month Project will focus on the Genieve Shelter. Their mission is "to provide a safe refuge and supportive environment for the victims of domestic violence, sexual assault, stalking and human trafficking, and to provide information, education, and training services which focus on ending the cycles of violence." Their office is located in Suffolk but their outreach includes Franklin and Southampton County. If you know of someone who needs their services, please call the hotline at 1-800-969-HOPE(4673).

Our Franklin Cooperative Ministry collection for the month of April will be spaghetti sauce (no glass jars please) and canned fruit.

High Street UMC is accepting donations for the victims of violence in the Ukraine. We will collect these donations and then decide what is the best place to send the donation. If you write a check, please make it out to HSUMC and put Ukraine on the memo line. Please keep everyone involved in this horrific violence in your prayers.

Just a heads up...the May Mission of the Month Project will be hygiene kits for Annual Conference. We will get the list of items out towards the end of April.

Thanks again for your generosity and prayers in all we do.  
Blessings!  
Ruthie Ponder (569-9449)

## Grace's Little Angels

“Dear friends, since God so loved us, we also ought to love one another”

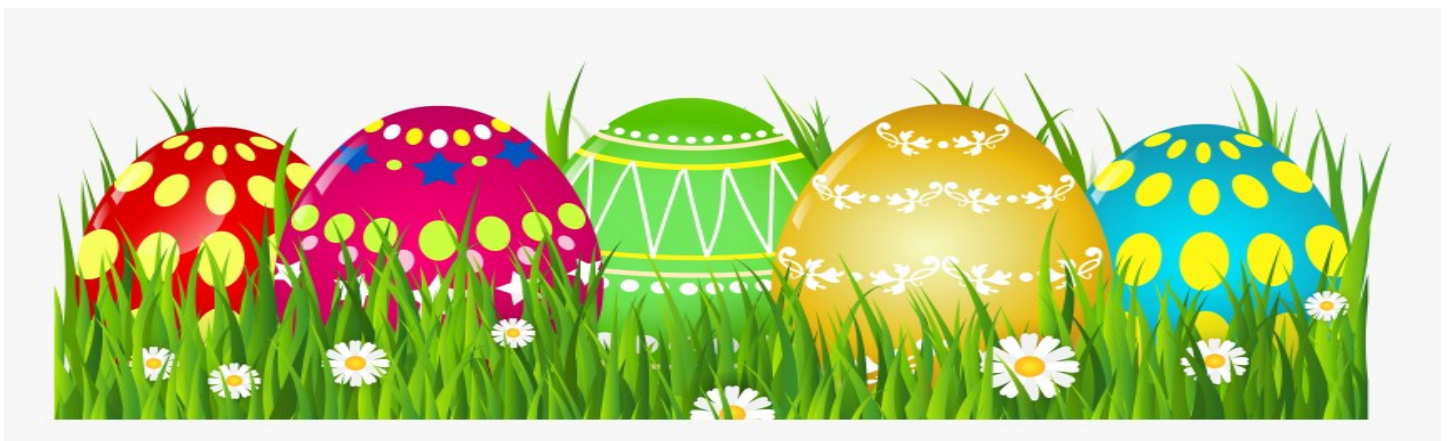

1 John 4:11

Happy April! He is Risen!

Happy Easter from all the staff and Angels at GLA. The teachers and children are very excited for the weather beginning to break so we have more chances to be outside playing comfortably. I can't begin to tell you the amount of energy these children have from being couped up all winter. We have been invited back to the Village after everyone being quarantined for 2 years. The children will be participating in their “annual” Easter Egg hunt on April 14<sup>th</sup>. Some of our Angels have never gotten to enjoy the thrill of egg hunting so this will be quite the event.

The Angels have been hard at work learning lots about Spring, Dr Seuss, Outer Space, Dinosaurs and Bugs. This month, we will study Life Cycles, Easter, and Plants. If you would like to come read us a story or donate anything, please let us know. The children and teachers will also get a much-needed break starting on Good Friday and ending on Earth Day. We had a successful pizza fundraiser and just closed the Spring catalog fundraiser on March 22<sup>nd</sup>. Next fundraiser will be Captain Bob's in May. Thank you all for your constant support and use of this beautiful building.
