Go Beyond with Boldness!

Today's color: Yellow

Today's Bible Lesson – Esther 4-9
Queen Esther Takes a Stand

With God's help, we can do amazing things!

Mission Commander Annie – Anne Hager
Outpost of Mars – Congratulations Voyagers! Yesterday you refueled starship Galaxion with elements of faith from Planet Truth! Today we explored Planet Courage through the Bible story of Esther so we could get element fuel "boldness"! Ep3-20 learned a little boldness too!

Bible Stories-Drama – Kathy Worrell
In today's Bible story, we learned about Queen Esther who had a great impact on her people. Just like Queen Esther, we too are called to use our position, influence and resources to stand up for others. God will be faithful to sustain us and give us boldness to go far BEYOND the confines of our fears and perceived limitations!

Craft Guide –Marie Smith
Voyagers enjoyed making banks for missions and bookmarks.

Music Guide – Lisa Strozier
"Deep and Wide", "I've Got Joy Down in My Heart",
"This Little Light of Mine", and "I'm in the Lord's Army"
were the Voyager's songs for tonight.

Mission Guide – Ruthie Ponder
Sunday night - \$ 92.00
Monday night - \$ 165.20
Total to date - \$257.20
Last night we collected \$92.00 for our VBS Mission Project, Heifer International! We're on our way to our goal of \$800.00 for the week! Keep bringing in those pennies, nickels, dimes, quarters and dollars to help us be able to send animals all over the world to help poor people get their lives back on track. For example, if a family gets a heifer (cow), they will have milk, cheese, and butter to sell or to feed their own family. They also are asked to pass the first offspring of that animal on to a neighbor. They are following the Golden Rule, "Do unto others as you would have them do unto you." For more, information on Heifer Project International, you can go to www.heifer.org.

Recreation Guide – Sybil and Pat Newman
Midnight is the name of today's game. It was exciting to run through the grass under the open skies, dodging the space alien who was trying to catch us. If the space alien tagged us, we became space aliens also. The last person who wasn't caught became the new space alien for the next game.
