Go Beyond with Kindness!

Today's color: Blue

Today's Bible Lesson – Luke 10:25-37
The Good Samaritan Helps a Fellow Traveler

Vector Verse:
With God's help, we can do amazing things!

Mission Commander Annie – Anne Hager
Voyagers, you are amazing! You have now refueled Starship Galaxion with elements of "faith" and "boldness". Today you were off to the planet of love to search for the element of "kindness"! I think EP3-20 discovered that small acts of kindness can make a big difference!

Bible Stories-Drama – Kathy Worrell
In today's Bible story, we explored and observed the example that the Good Samaritan provides of true kindness in the form of caring action for others. His compassionate and sacrificial loving care shows us that, because of our faith, we can show God's love and kindness through our actions...at VBS and BEYOND!

Craft Guide – Marie Smith
Voyagers painted space scenes using salt to help them remember our theme for the week.

Recreation Guide – Sybil Newman
One of the most fun games ever is Star Wars. We threw yarn balls at each other, sitting down whenever we got hit by a yarn ball. Only the astronaut could get us back in the game by tagging us with the rubber chicken. If the astronaut got hit by a ball, the game was over and a new astronaut took over. We had SO much fun!

Mission Guide – Ruthie Ponder
Sunday night - \$ 92.00
Monday night - \$165.20
Tuesday night - \$281.20
Total to date - \$538.40

We're doing well towards our goal of \$800 for the Heifer Project! Thanks for all the pennies, nickels, dimes, quarters, and dollars you've been bringing in! Keep them coming!! We'll be voting on Wednesday to decide which animals are your favorites depending on how much money we raise! Be thinking about your favorite three animals! You'll choose from these animals – cow, pig, rabbits, llama, sheep, chickens, goat, bees, fish, water buffalo, and tree seedlings as well. Tonight Ms. Ruthie shared a true story about a little nine year old girl, Beatrice, who lives in Uganda in Africa with her mother and 4 younger brothers and sisters. They are very poor, so Beatrice cannot attend school. Her family was chosen to receive a Heifer Project International goat. This goat, which they named, Mugisa (which means luck) has brought Beatrice and her family many blessings. They have milk for their family and milk to sell. Mugisa also had twin babies (kids) so they gave one to another family and kept one. Now Beatrice can go to school because her family can afford to pay the fees and they can afford other necessities as well. Their lives are much better now.
