Go Beyond with Thankfulness!

Today's color: Green

Today's Bible Lesson – Luke 17:11-19

Jesus Heals 10 Lepers

Vector Verse:

With God's help, we can do amazing things!

Mission Commander Annie – Anne Hager

Outpost of Mars – Hope you are all enjoying exploring where God's power takes you! Tonight we were off to planet Praise in search of the element "thankfulness". I think Penny and EP3-20 learned when we give thanks to others, we make them feel good, and we make ourselves feel good too!

Bible Stories-Drama – Kathy Worrell

Giving thanks is important in the Bible. In our story time today, we explored and observed the example that the Samaritan provided by showing thanks for the blessings he received. His gratitude and humility show us that, because of our faith, we can make a difference by showing thanks to those who care for us...at VBS and BEYOND!

Craft Guide – Marie Smith

Voyagers painted planet sun catchers tonight and then used their imagination to make a replica of Saturn with stickers.

Music Guide – Lisa Strozier

In music, we have been practicing for our closing program. Hope to see everyone!

Mission Guide – Ruthie Ponder

Sunday night - \$ 92.00

Monday night - \$165.20

Tuesday night - \$281.20

Wednesday night - \$220.45

Total to date - \$758.85

Pastor Nathan is getting ready to have his head shaved if we reach that goal of \$800.00 by Thursday night! We are really close so tomorrow night is the last night you can bring in your money!

Today we voted on which were our top 3 animal choices to sponsor from Heifer International. We got to choose from cows, pigs, rabbits, llama, chickens, goats, sheep, honey bees, fish, and even tree seedlings. We also had some very special visitors tonight! Thanks to Michelle Lopez, one of our GLA daycare teachers, for bringing in some of her baby chicks and teaching us how they can provide for families. Some of the children even held them!

Thanks to everyone for all of your support this week for Heifer International! We will keep you posted on our final amount and what animals we will request. There is information on the wooden round table in the narthex if you wish to learn more about the Heifer Project.

Recreation Guide – Sybil Newman

Backyard cleanup was our game tonight. We threw the balls to keep our area the cleanest. We worked together and had lots of strenuous activity. It was SO much fun!
